# Project ECHO: South Carolina Community Opioid Response Initiatives (CORI)

Sponsored by the South Carolina Center of Excellence in Addiction

1. Please follow the link to register for an iECHO account to join upcoming CORI ECHO sessions. The link will take you to the following website (pictured below).

   https://iecho.org/public/program/PRGM1699561437266ZXPRWJT0ED

2. Click on the **Register Now** button.

   a. Select **Continue with Email** (mobile only works outside the U.S.).
   b. Fill in your personal and professional information, including your name, institution/workplace, and the email address you would like to use for your account log-in.
   c. If you cannot find your workplace in the drop-down menu, you may add your workplace by clicking **Add New Institute/Workplace**.
   d. Create a password
   e. And you may be asked to verify your email with the 6-digit code sent to the email you listed.

3. Congrats! You're in!

4. You can now register for an upcoming session and we will see you soon!

_____

Do you need additional assistance?

- For visual learners, step-by-step video registration instructions can be found at: iECHO Sign Up for Participants
- Step-by-step instructions for logging into your iECHO account: Accessing your iECHO account
- For iECHO technical support, please contact support@iecho.org or use the chat feature on the iECHO website.

Contact the CORI Project ECHO coordinator, Carrie Papa (papa@musc.edu), if you have any questions.
